

Entity Branding

Creating trust and consistency with your patients

Your brand creates trust, consistency and helps build relationships with your patients and consumers. By utilizing a custom built technology called Entity Branding, our Healthcare Unified Technology (HUT) framework ensures your unique brand is first and foremost.

Features

Entity Branding is a scalable, robust feature with functionality that allows you to brand your website with your own logo, color scheme and font. With Entity Branding technology you can:

PICK YOUR COLOR SCHEME

Select colors that compliment your brand and populate your site

CHOOSE YOUR OWN LOGO

Your log will appear on every page in the header and footer

SELECT YOUR FONT

Select a font from Google Web Fonts. We recommend LATO or the like

SELECT PHOTOS

Select from several pre-approved photos in our photo library

UPLOAD YOUR FACILITY PHOTO

Upload a photo of your facility to further build confidence in your brand
