

One Company, Many Careers

What is Job Search App?

As job markets become more competitive, HCA is experiencing increased competition and tight supply for key talent in areas we recruit for. In response to this issue, HCA HR - Talent Acquisition and IT&S Digital Media has partnered to create a mobile responsive, intuitive and easy to use Job Search App.

Features

Job Seekers can now search for jobs, filter down job matches with advanced search features, access full job descriptions and share jobs with friends and family via email or social media; all of which is done within the same hospital website. Additional features include:

 JOB SEARCH FUNCTIONALITY

 ADVANCED SEARCH/FILTERS

 JOB SHARING/EMAIL FUNCTIONALITY

 CUSTOMIZABLE LANDING PAGE

 AUTOMATIC HOURLY JOB REFRESH

 SEAMLESS JOB SEARCH EXPERIENCE

 CONFIGURE LIMIT RESULTS BY LOCATION(S)

 LINKING STANDARDS FOR CAREERS

Custom Key Features

HUT's Job search app has a multitude of customizable areas to fit each hospital's need. These areas include:

1 One Company, Many Careers.
Where technology, compassion and career growth merge.

2 For us, it's all about family.
At Beechwood Memorial, you'll find that caring extends to both our patients and our people. We are committed to each other because when we join together, our patients are cared for in the safest and most compassionate way. Are you looking for a place with many different career options and a people-focused culture? You've come to the right place.

6 Special Promotion
Beechwood Memorial StaRN Apprenticeship for New Graduate Registered Nurses
We invite new and soon-to-be graduates to apply for our StaRN New Graduate program! This is a 15-16 week program that will begin on July 11, 2018 featuring didactic and clinical training, it allows new graduates to obtain acute care nursing experience through an intensive internship program, then transition to staff roles within the Beechwood Memorial network.

7 Working For Us
Our hospital offers competitive salaries and a comprehensive benefit package. And being a part of the much larger HCA system provides individuals with the ability to transfer within its 165 hospital network. This is a great plus to those whose lives take them to different parts of the country. A team of passionate, experienced healthcare professionals awaits you.

Helping You Grow
Education and preparation are two key elements in providing the high-quality care that is delivered in our hospital every day. Through the following programs, our employees within our facility have the opportunity to obtain a higher level of education, and be well prepared for their roles in our hospital. We offer tuition reimbursement, and continuing education and leadership development.
